## **URGENT: Please Support ATMC'S Project to Bring Faster Internet to Your Community**

*DEAR PENDER COUNTY FARMER:*

ATMC, a communications company based in Shallotte, NC, is seeking your support to secure federal grant funds needed to expand high speed internet service into your community over a 100% fiber optic broadband network. The federal government is making grant funds available for the purpose of providing broadband internet to unserved and underserved rural areas like yours, but competition for these funds is intense, so we need your support.

ATMC needs your help to secure the grant funds necessary to bring faster internet to your community. We ask that you complete the pre-subscription form and submit a letter of support for this project by detailing the need for faster internet service for your business and your family, both will be included in our grant application and will show your willingness to support ATMC in this endeavor. **There is no obligation to take service if ATMC is able to win grant funds.**

ATMC recently received a \$1 million-dollar grant from the NC GREAT Grant Program to serve residents and businesses in the Columbus County Community of Beaverdam, ATMC also contributed half a million dollars to the project. Additionally, in December of 2019, ATMC won a \$7.9 million-dollar USDA ReConnect Grant to serve over 4,000 Columbus County homes in the rural areas near Tabor City, Hallsboro, Bolton, Lake Waccamaw, and areas north of Whiteville. ATMC will match the USDA grant dollar-for-dollar for a total investment of \$16 million dollars. Our success in obtaining these grant funds wouldn't have been possible without the support of business owners, residents, educators and community leaders in these areas.

Enclosed, you will find a pre-subscription form and sample recommendation letter you can use as a guide. Please complete the form and return both the form and your letter of support to ATMC via email to: Please send your letter of support to ATMC via email to: [FasterPender@atmc.com](mailto:FasterPender@atmc.com), or by mail to: ATMC, Attn: Faster Pender Project, P.O. Box 3198, Shallotte, NC 28459.

The deadline for turning in applications is tight, so we ask that you return your letter to ATMC by **Friday, February 7<sup>th</sup>, 2020**. If you have questions or need more information, please feel free to reach out to me at 910-755-1677. Thank you for your consideration and support.

Sincerely,

*Victoria Bellamy*

Marketing and Public Relations Coordinator  
ATMC

Date:

To Whom It May Concern:

I support ATMC in their efforts to obtain the grant funds necessary to build a fiber optic network capable of bringing faster internet services to residents and businesses of Pender County, NC.

High speed internet opens the door of possibility for communication, advancements in agriculture and new opportunities for commerce. Inadequate internet service has put residents, businesses and farmers in Pender County at a great disadvantage for far too long.

High speed internet would allow Pender County farmers like myself to move into the technologically enabled era of farming. Access to a high-speed networks is vital to ensuring that farmers can use the latest in agricultural equipment like sensors and data gathering software which will allow for more efficient and environmentally responsible agriculture operations.

ATMC has a proven reputation for providing fast, reliable internet service to rural households in Brunswick and Columbus Counties. ATMC's fiber optic high speed internet services will allow thousands of Pender County families like mine to finally have adequate access to twenty-first century technology.

Thank you for your consideration of Pender County for grant funding.

Sincerely,

Name:

Address:

**ReConnect Program**
